如果聲音太小, 會出現這個指示, 請唸大聲一點,  
如果系統一直偵測不到語音, 系統就不錄了, 競賽就提早結束

The screenshot shows a speech recognition interface with a blue header bar. On the left, there is a back arrow and the text '口說測驗'. In the center, a red-bordered box highlights a white error message: '未偵測到語音, 將開始重新錄音, 請靠近一點麥克風, 或將音量放大, 謝謝。' Below this message is a white button with a blue 'i' icon and the text '開始錄音'. The main content area has a grey background with a '1' in a circle on the left and a '00:16:24' timer on the right. Below the header, there is a 'Text:' label with a speech bubble icon. A large white text box contains the following text: 'The subway lines connecting Bank Station and Hammersmith Station have resumed service following repairs and upgrades. All our patron passengers are welcome to enjoy the improved riding experience! The carriages have been upgraded to give you the most comfortable ride ever while maximizing the space efficiency. The standard smartcards and mobile ticketing are accepted. In addition to the upgraded subway line, some of the ticket machines have been replaced, providing you with the newest, safest and most convenient payment process. Enjoy the ride!'. Below the text box is a blue circular recording indicator with a white dot and a '00:06' timer. At the bottom, there are two blue audio waveforms.

朗讀完系統停止錄音  
並開始辨識語音
